

3/24/11 Committee Meeting

In attendance: Dennis, Greg, Geoff, Roger, Melvin, Chris, Ron
New Committee Positions - Growth is opening the need for positions to be filled

Webelos Transition Coordinator - I will share the responsibilities at the meeting

Chris Jacobsen is filling this role

Transportation Coordinator - I will share the responsibilities at the meeting

Position Open - I will explain Keeps track of what scouts will be in what vehicle. Helps patrols organize transportation for events.

Proposal to increase Mileage Charge to the scouts to .20 cent a mile.

Most of our outs are within 30 miles, and at .20 a mile that \$6.00 one way or \$12.00 round trip and with the increase in gas, I think this is a fair price. The only exception would be summer camp, and we would cap that at 30.00 per scout. 202 miles, and if a parent takes at least 3 scouts that are not their own son, that is 90.00 bucks and should fill any truck or car, plus have extra to top off the tank for the way home, and we can increase this if necessary. Approved

3rd Patrol box, do we need one yet. No

eWaste do we do one during the summer with 100% going to the scout accounts - could be good to get the scouts gear for backpacking, and such as summer camp June 11.

New Scout CampOut Reservations have been made. Shark patrol and troop leadership. Gear check 1 week before at the troop meeting. Grubmaster will be performed by the troop leadership with a 1:3 ratio.

Camporee We have the max reserved. This will be another opportunity for grubmaster. Cook by patrol.

Scout-O-Rama Fire making kits. Coupon books-if we don't pick up more books Dennis will send back the additional books.

Revisit Code of Conduct No harassment policy. Mr. Phillips to go over the code and the scout to sign it. We need to establish a protocol for scout pick up in case of emergency, early departure, poor conduct.

Summer camp- Sunday arrival. 6AM start time with swim test (lake is 70-75°F) first thing. Merit badge sign up is Monday morning 8:25. Prerequisites for merit badge programs is common. Bring a mess kit.
