Troop Trailer, The Church granted Permission to store out by the containers

Which trailer to Buy, I have 3 possible options

TrailersPlus in Gilroy is where I plan to Buy after a ton of Research - they are giving a a very good discount for using cash and they are going to let us use the Troop Debt Card rather than a Cashier Check or bring cash

5 x 8 CarryOn with a rear Ramp, 2" ball, non radial tires

5 x 8 by a different company (Loadrunner) it has better tires and a few other options

6 x 10

We would need to buy a spare wheel(tire) and those are 70.00,

Need to buy the Trailer Hitch lock

Tax,

License and Registration is handle at the Dealership and depending is cheap under 100.00 and the registration is good for 5 years.

A balance sheet and income statement has been requested which would include troop assets and liabilities.

Scout Master Replacement

I have a short term suggestion Finding a scoutmaster outside the troop has not been fruitful. Mr. Phillips will be stepping down in the fall.

We will do a rotation between Greg, Roger, and Dennis. Mr.

Phillips recommended a 6 month rotation starting with Roger.

Troop elections End of June so that the new scouts can shadow the current leaders.

General Account update

With the flurry of coupon book money and other transactions the receipt book needs to be reconciled, I am planning on doing that over the weekend. Dennis will email.
